**NOTE:**

Clearly and concisely specify the contentions in this matter. Examples of what the Contentions may be are: whether the Appellant is a worker, whether there was an injury, the causation of the injury, whether the employment is a significant contributing factor to the injury, whether the employment is a significant major contributing factor to the injury, reasonable management action etc...

- whether the Appellant was a worker within the meaning of section 11 of the Act.
- whether the Appellant sustained an injury within the meaning of section 32 of the Act.
- whether any physical injury was an aggravation of a pre-existing injury;
- whether any physical injury (or aggravation) arose out of or in the course of employment;
- whether employment was a significant contributing factor to any physical injury (or aggravation);
- whether the psychiatric injury is a secondary injury to any physical injury or whether it is a stand-alone injury;
- whether the psychiatric injury arose out of or in the course of employment;
- whether employment was a significant contributing factor to the psychiatric injury;
- whether the psychiatric injury is excluded because it arose out of or in the course of reasonable management action taken in a reasonable way.
