### Decision

- [1] An Application to the Commission to certify an Agreement, pursuant to s 189 of the *Industrial Relations Act 2016* (the Act), has been made by the Director-General, Department of Science, Information Technology and Innovation. The Agreement is to apply to CITEC, a business unit of the Department, and the Application has been made within 21 days of the date on which the Agreement was made (see s 189(3) of the Act).
- [2] The Agreement is between the Director-General, as the representative of CITEC, and the undermentioned employee organisations:
- Together Queensland, Industrial Union of Employees; and
  - The Association of Professional Engineers, Scientists and Managers, Australia, Queensland Branch, Union of Employees,
- and has been signed by, or for all of, the parties.
- [3] In proceedings on Friday 19 May 2017 the Commission as presently constituted certified the Agreement subject to the parties addressing a number of typographical and other wordsmithing changes – none of which affected the meaning and/or content of the Agreement. These matters have now been settled.
- [4] In certifying the Agreement, the Commission recorded (see s 193(1)(a) and (b) of the Act):
- each relevant requirement under subdivision 2 of Division 2 of Part 5 of the Act is satisfied for the Application (see ss 195, 196, 197, 198, 199, 200(1)(b) and 201(b)); and
  - there is nothing in the Agreement which would require the Commission to refuse to grant the Application under subdivision 3 of Division 2 of Part 5 of the Act (see ss 204, 205, 206, 207, 208 and 209).
- [5] The Commission also noted that the wage increases recorded at clause 2.1(a)(i) of the Agreement will be applied administratively by CITEC from 1 November 2016.
- [6] In accordance with s 216(a) of the Act the Agreement starts operating on the day it is certified, *viz* 19 May 2017. Although the nominal expiry date of the Agreement is 31 October 2019, the Agreement will continue to operate until it is terminated under s 227 or s 228 of the Act.
- [7] The Application to certify the *CITEC Certified Agreement 2016* is granted.
