NOTE 1: The rates of pay in this Award are intended to include the arbitrated wage adjustment payable under the 1 September 2008 Declaration of General Ruling and earlier Safety Net Adjustments and arbitrated wage adjustments. [Disputed cases are to be referred to the Vice President.] This arbitrated wage adjustment may be offset against any equivalent amount in rates of pay received by employees whose wages and conditions of employment are regulated by this Award which are above the wage rates prescribed in the Award. Such payments include wages payable pursuant to certified agreements, currently operating enterprise flexibility agreements, Queensland workplace agreements, award amendments to give effect to enterprise agreements and overaward arrangements. Absorption which is contrary to the terms of an agreement is not required.

Increases made under previous State Wage Cases or under the current Statement of Policy, excepting those resulting from enterprise agreements, are not to be used to offset arbitrated wage adjustments.

NOTE 2: The percentage relativities column relates to percentages applying before the application of the arbitrated safety net adjustments made in accordance with the November, 1994, State Wage Case and the October, 1995, State Wage Case Decision. The percentage relativities are based on a base rate and supplementary payment totalling \$417.20 per week.
